Adair Park Today Meeting Update

Next Meeting Tuesday, March 1 at 7:00pm

Last month's meeting was great with State Rep. Kathy Ashe in attendance giving some insight into Georgia politics. This month we will be discussing upcoming events including our March cleanup and meet-n-greet, as well as hearing from local officials and business owners. Dues for the entire 2011 year are only \$12, so bring cash or check to join and you can have a voice in Adair Park Today. Help make our neighborhood a better place!

Location Change! Please join us at the Salvation Army Kroc Center at 967 Dewey Street, just across Metropolitan Parkway from Adair Park. Park in the back and buzz in at the door on the left. Bring your neighbors and we will see you there!

Stay in the Know with Adair Park!

There are many ways to stay in touch with Adair Park happenings, and this newsletter is just one way. There is a Google Group that is used to forward pertinent emails. There are also two Facebook groups called the "Adair Park Social Club" and "Adair Park Tomorrow". One is purely for social events, the other is for anything and everything else concerning Adair Park! Either search for these groups on Facebook or send an email to communications@adairpark.com and we can get you in. Stay informed!

Adair Park Cleanup—March 19, 9am-12pm

WE NEED YOU! This is the first in what will be quarterly cleanups around Adair Park. This is a fantastic way to meet new neighbors and to give back to the community by helping with beautification and trash removal. We want keep our areas clean so potential investors see the beauty of Adair Park, not the trash. We will meet in Adair Park I underneath the pavilion at 9am. Breakfast, water, trash bags and tools will be provided for all volunteers. We are working on some sponsors to assist monetarily with this event. All you need to bring is gloves and sunscreen.

We will concentrate on the south side of Adair Park this quarter, then move to the north for the next cleanup. We will hit each street from Lexington Ave to Elbert St. If you have the time to help us out, please RSVP that you can volunteer via email to communications@adairpark.com or call Chenee' Joseph at 678-463-6315. Get your neighbors and friends to help keep Adair Park beautiful!

Adair Park Crime Watch

We have a "text tree" that instantly alerts over 50 neighbors of a house alarm going off, suspects casing houses, etc. It even includes several members of the APD in Zone 3, including the Zone Commander. If you would like to be added to the tree, please send an email to communications@adairpark.com and include your email address and cell phone number. This service is only used for crimes in progress, not general use.

Adair Park has a New Website!

Adair Park has a new face! The new website is live, and you can check it out at www.adairpark.com or www.adairparkatlanta.com. This website is the face of our neighborhood to not only potential homeowners and investors, but to current neighbors as well. The "What's Happening" and "Events" sections will be consistently updated to keep everyone in the know. If you have any questions or feedback, please call Jay Melton at 404-790-2745 or send an email to communications@adairpark.com.

Neighborhood Meet-N-Greet

February definitely showed that Tift Ave knows how to throw a meet-n-greet! Great event last month, we all met some new neighbors and got to socialize with some we don't see often. Thanks Bert, Angela, Alex and Paige!

The next Adair Park meet-n-greet will be coordinated with our cleanup on March 19th. This event will be a "thank you" for all those volunteering in the cleanup and will be open to all neighbors. The event will take place from 2pm-5pm to allow everyone to rest after the cleanup and head out (or home) for their Saturday Night afterwards! This will be located at 830 Brookline Street. Light snacks and some beverages will be provided. BYOB. Stop in and hang out with some of your Adair Park neighbors!

AP Surveys

If you have not filled out the Adair Park survey we sent out last year, please contact Jay Melton at 404-790-2745 or via the communications email. This survey is designed to provide the data to use when we seek funding or grants.
