Adair Park Today Meeting Update

Next Meeting Tuesday, September 6th at 7:00pm

This month's meeting will be the Tuesday after Labor Day. We hope to have Major Cavender, our new APD Zone Commander, in attendance. Please join Adair Park Today for the low price of \$12 per year and have a voice in your community. Next month's meeting will be Tuesday, October 4th.

Also, Fragment's Ministry will be presenting their case for a letter of approval for their transitional house at 635 Pearce Street. Please come out and share your opinion. Please join us at the Salvation Army Kroc Center at 967 Dewey Street, just across Metropolitan Parkway from Adair Park. Park in the back and buzz in at the door on the left. Bring your neighbors and we will see you there!

Adair Park Today 2012 Officers & Committees

We need you! Adair Park Today has had the largest number of members in quite some time with just a little over 50. Our meetings have become more focused and only last an hour, and we have regular guests from various civic and government organizations. Elections are coming up in December for 2012 officers, and we need you! There are 6 officers in Adair Park Today—President, Vice-President, Treasurer, Communications, Secretary and Parliamentarian. If you have an interest or need more information, please contact one of the current officers and we can answer any questions you have.

The Adair Park Dog Pack!

Adair Park neighbors Jeralyn Fleming, Justin Vogel and Michelle Matthews have gotten a group together to their walk dogs and raise some money and awareness for some of the puppies in Adair Park. They walk every Monday, Wednesday and Friday at 6am, starting at the intersection of Mayland Ave and Catherine Street. They suggest a \$1 per week donation to go towards helping some dogs in the neighborhood. Get some exercise while meeting some neighbors and helping our furry friends! Leashes & baggies for waste are required, contact communications@adairpark.com for info.

Art Installations In & Around Adair Park

In case you haven't noticed, Adair Park has received several new art additions in the past few months. First, Nick Boxer's building 920 Murphy Avenue has an incredible mural that was part of the Living Walls exhibit. Second, the art installation on the Beltline at the entrance on Allene Avenue near Catherine Street is budding with flowers. Last, the multi-neighborhood mural on the wall around the Georgia Power substation at Northside Drive and Whitehall is going to become a conversation piece all over the city of Atlanta. With the list of neighborhoods and their founding dates, as well as a local house and Adair Park flag, we are well represented!

Adair Park Meet-N-Greets

The August meet-n-greet was a kickball game that was an absolute blast! We had adults and children braving the hot sun to play for about 2 hours, while many other adults socialized in the shade. We even had a neighbor bring and sell homemade all-natural popsicles! September's meet-n-greet will be at Brad Jent's house at 706 Elbert Street on Sunday, September 25th from 4-7pm. BYOB. Light snacks will be provided. Bring a neighbor and we hope to see you there.

We are always looking for hosts for meet-n-greets! For information call Jay Melton at 404-790-2745 or email communications@adairpark.com.

Thank You to the Kroc Center!

Quick thank you to the Kroc Center, who wrapped up the season of their farmer's market at the corner of Mary Street and Metropolitan. The discounts offered for their fruits and veggies were greatly appreciated, and we hope to see them next year!
