Captain Cox will be retiring on May 1st. Captain Cavendar from Zone 4 will be coming over.

Pittsburgh is driving the crime in this area so this area receives a lot of our ADP resources.

March crime report should be out on April 6th.

Auto thefts and car break-ins are up. Don't leave valuables in the car.

Rezoning is being worked out. Possible changes will be that Grant Park will shift to Zone 6 and Zone 3 will pick up Thomasville. Beat 303 is going to be cut in half. 1 beat officer for day/evening/morning watch. May be a new beat number. Capital View and Adair Park as one beat. Zone 3 precinct will be in Zone 6 so trying to find a new location for the Zone 3 precinct. Any ideas for the location should be directed towards our State Rep.

Home invasions are happening during the shift changes. Suggestions have been made but there are no new solutions. It has been like this for 15 years. We should reach out to Captain Cavendar to voice our concerns. We can get a hold of the black-out minutes (times when there is no coverage) report by filing an open records request. We can use this to show the stats to help make a strong case for coverage during shift changes.
