- City denied the type of signage requested. The signage being requested hangs vertically from the billing such as the Room and Board Sign on Howell Mill.

- Went for appeal but was also denied.

- Last resort is a text amendment to change the language to go back to C3. This gives the area a wider variety of signs that can be used for businesses.

- The sign is very moderate. Not a distraction. Not sure what the issues with the city has been. It will be lit.
